4 VOCALS – 3 front, 1 drummer
 Beta58 or SM58 preferred
 (No Audix, please)

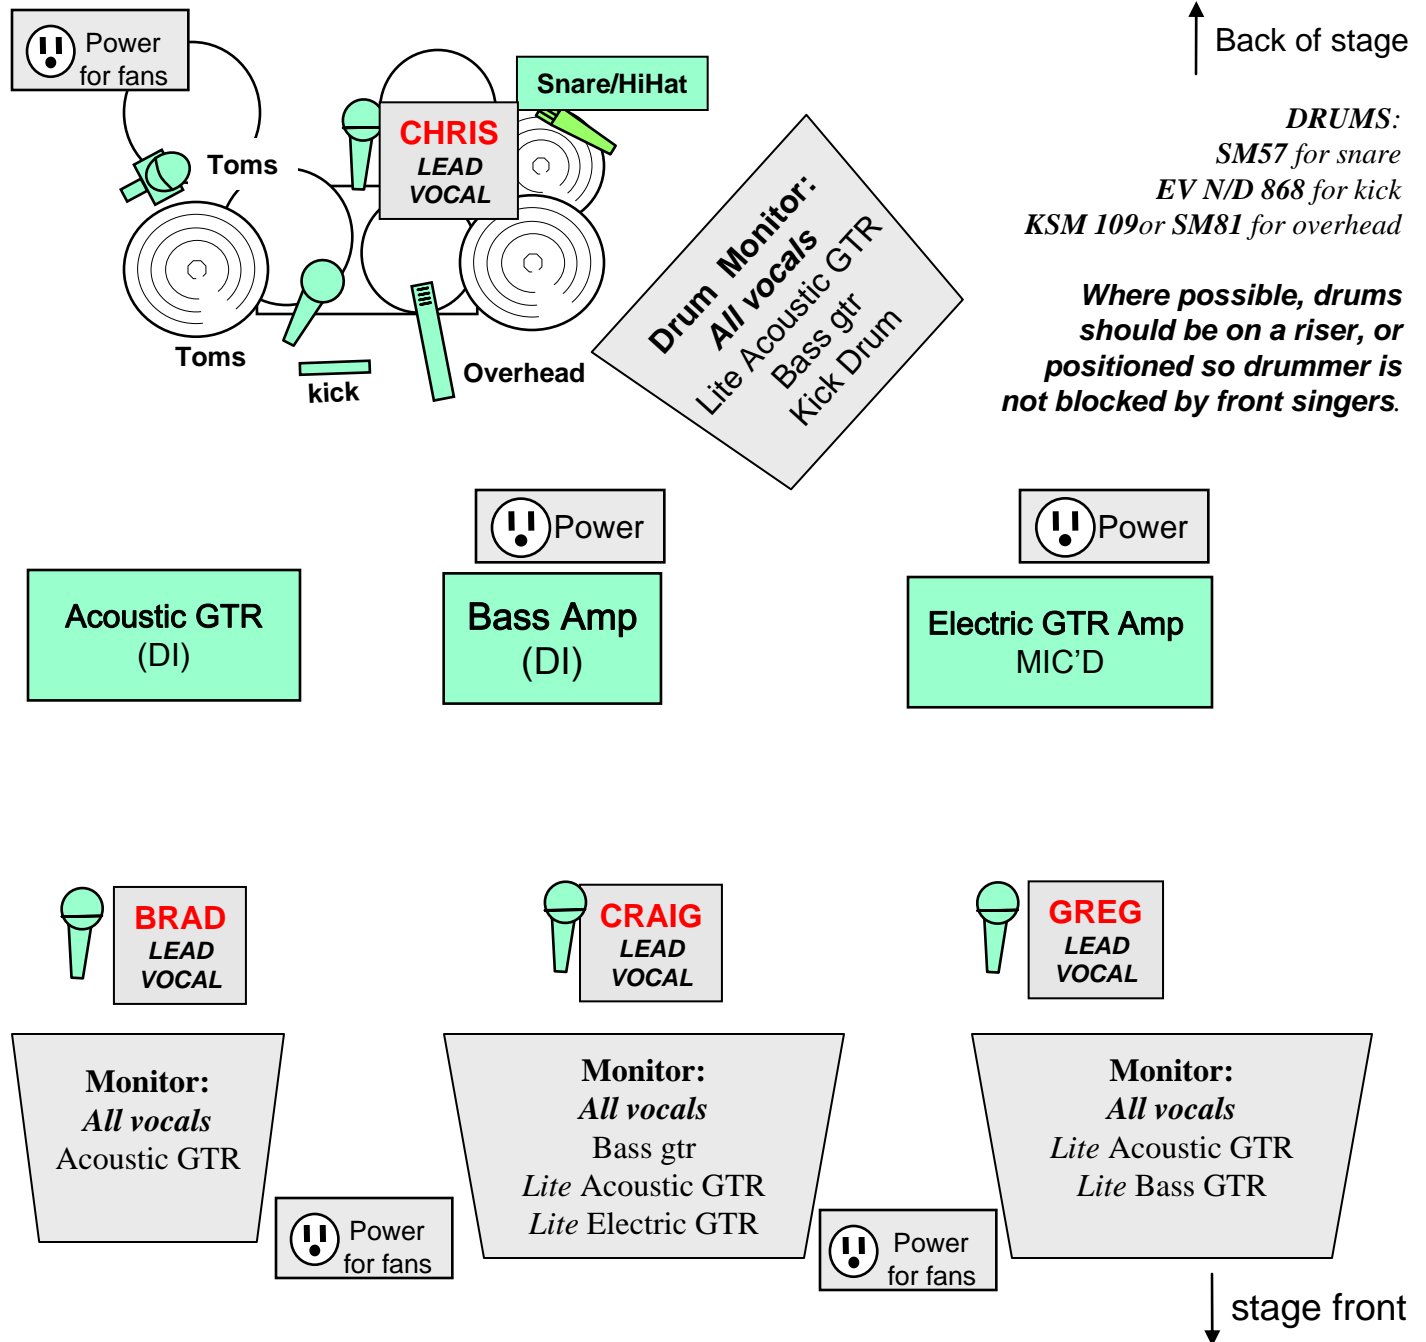

Boom stands for all vocals

EV N/D468 or SM57
 or similar preferred for guitar
 amps

minimum 2 mon. mixes
 (1 for acoustic (Brad), 1 for the
 rest of the band)

- 3-way system, at least 100db c-weighted
- Sub-woofers required
- FOH EQ 31 band stereo
- Same sound person should be present at soundcheck and performance.

Will need power boxes at each
 player's station for amps &
 electric fans

DRUMS:
 SM57 for snare
 EV N/D 868 for kick
 KSM 109 or SM81 for overhead

Where possible, drums
 should be on a riser, or
 positioned so drummer is
 not blocked by front singers.
